JUNIOR CLASS OFFICERS

President William Evans
 Vice President Carl Yohe
 Secretary Mary MacRae
 Treasurer Betty Motz

Juniors started off to a good year by selling candy at football and basketball games, and continued collection of sales tax stamps, selling of pennants and other novelties, all of which help to boost our treasury.

Then came the selection of class rings and waiting anxiously for the day they arrive. Everyone admired them for they are beautiful.

Junior class play, "An Old Fashioned Mother" with leads taken by Eunice Lloyd and Bud McElfresh.

Juniors also win the senior paper sale and get a two dollar bonus for collecting more paper than the seniors.

Then comes anxious waiting for prom and curiosity as to who the queen is, but it was wonderful with a dutch setting.

So ends another year for we, the seniors, of tomorrow.

Freshman Class

 Class Sponsors.....Mrs. Slusser, Mr. Allen

Our first year as high school students is nearly over. We started earning money early—selling Christmas cards. We also worked very hard collecting papers, and won second prize in the paper sale. Our class decided not to have a party.

We have had a lot of fun as freshman and will have many good times to remember in the coming years. The freshman class is also eagerly looking forward to becoming sophomores and hope that the freshman of next year will enjoy it as much as we did.

MODERIAN STAFF

The new annual staff was selected by the faculty and notified of their duties last spring.

We went to work as soon as school started. Pictures had to be taken, cut, and mounted. After much work and many convincing arguments we ordered padded covers.

This is the fifth annual, but our first one with padded covers.

We have enjoyed working together this year on the Moderian and hope that each staff in the years to come may try to keep up the quality that we have strived to obtain in the 1942 Moderian.

We appreciate Miss Beck's help and suggestions more than we can tell.

CANTONIAN STAFF

There's a little of everything in each issue—sports, feature stories, comics, alumni activities, gossip, coming activities and events, yes, its all in the Cantonian. Published monthly, it is, and the journalism students enjoy working together.

Miss Kayler, is the new sponsor and with the able assistance of editor Rhea Hawkins, much progress has been made. Seniors, Juniors, and Sophomores are represented on the staff. We sincerely hope the staff of next year will have as much pleasure working together as we have had, and wish them success in each and every effort to produce a Cantonian that will be enjoyed as others have been in years gone by.

DRAMATIC CLUB

The Dramatic Club has been rather active during the school year 1941-1942. The Club sponsored the sale of Coca-Cola in order to provide funds.

At Christmas time the club cooperated with the Music Department in presenting a production entitled "A Lost Carol." This production was presented before the Promoters Club and also the student body.

The annual club play entitled "Wild Ginger" was presented on February 21. This was given to a very appreciative, but not large audience.

The Dramatic Club assists in various programs during the year, such as, Armistice Day, Thanksgiving, Easter, Programs.

One of the unique contributions of the 1941-1942 club was the production written and produced by Helen Linsenbigler. She was assisted by members of the club and the production was a total student production. One half of the proceeds was given to the Red Cross.

A Junior Dramatic Club was organized in order to provide for Seventh, Eighth, and Ninth graders. This group is in its infancy yet, but as time goes on it is expected to develop into a beneficial group.

Both Clubs are given the benefit of Mr. Flohr's able assistance.

CAMERA CLUB

The camera club breaks all records this year by its fine quality salon work. During the year, the show case in the main lobby has been kept well filled with exhibition prints. The dark-room has been attractively redecorated by the members during their free periods. Noon movies were sponsored as usual. The most outstanding thing concerning the club this year is the manner in which the members have been expressing their originality and initiative in the scientific and artistic making of fine pictures. The club is under the direction of Mr. Pensyl who is an experienced pictorial photographer.

The 1941 and 42 squad under the capable leadership of Mr. Ferguson and supervision of the Stark County Sheriff Patrol, has done a commendable piece of work in performing its duty.

The purpose of this organization is to assist bus drivers to and from school, to patrol the halls, and to aid motorists in parking their cars at special occasions.

Heads up! Here comes the band performing for football games both at home and away.

The winter months found the band adding to the enthusiasm of the basketball games, planning a party, and working hard for the half-hour concert at the County Teachers' Institute.

Spring brought the contests in solo and ensemble numbers at Jackson Township and at Berea. The organization entered the Band Contest on April 11, at Kent. But the climax of the school year came two weeks later on the evening of the Spring Concert.

Attention!!! Forward March . . . That is the call of the Drum Corps as they start out the school year. During football season many periods are spent marching with the band in preparation for their colorful displays.

The Drum Corps consists of twenty-one members including twelve drummers, two cymbol players, two scotch drummers, and five twirlers. Their president is Sarah Mae Lloyd.

Now comes the festival with its amusements and gaiety, next Armistice Day program calling for long marching, and last the concert which displays the accomplishments throughout the year.

Thus ends a busy season of activities for the only Drum Corps in Stark County.

GIRLS' GLEE CLUB --- MIXED CHORUS ORCHESTRA

This has been a busy year for the members of the glee club and choir, directed by Miss Weaver. One Monday a month these groups furnished special music for the chapel service. Then twice during the month of December they presented "The Lost Carol." On the twenty-seventh of March the vocal groups of the high school, aided by the grade schools, presented their annual concert. The theme for the evening was "America Marches on in Song." This patriotic program reached its climax when the group sang "Ballad for Americans."

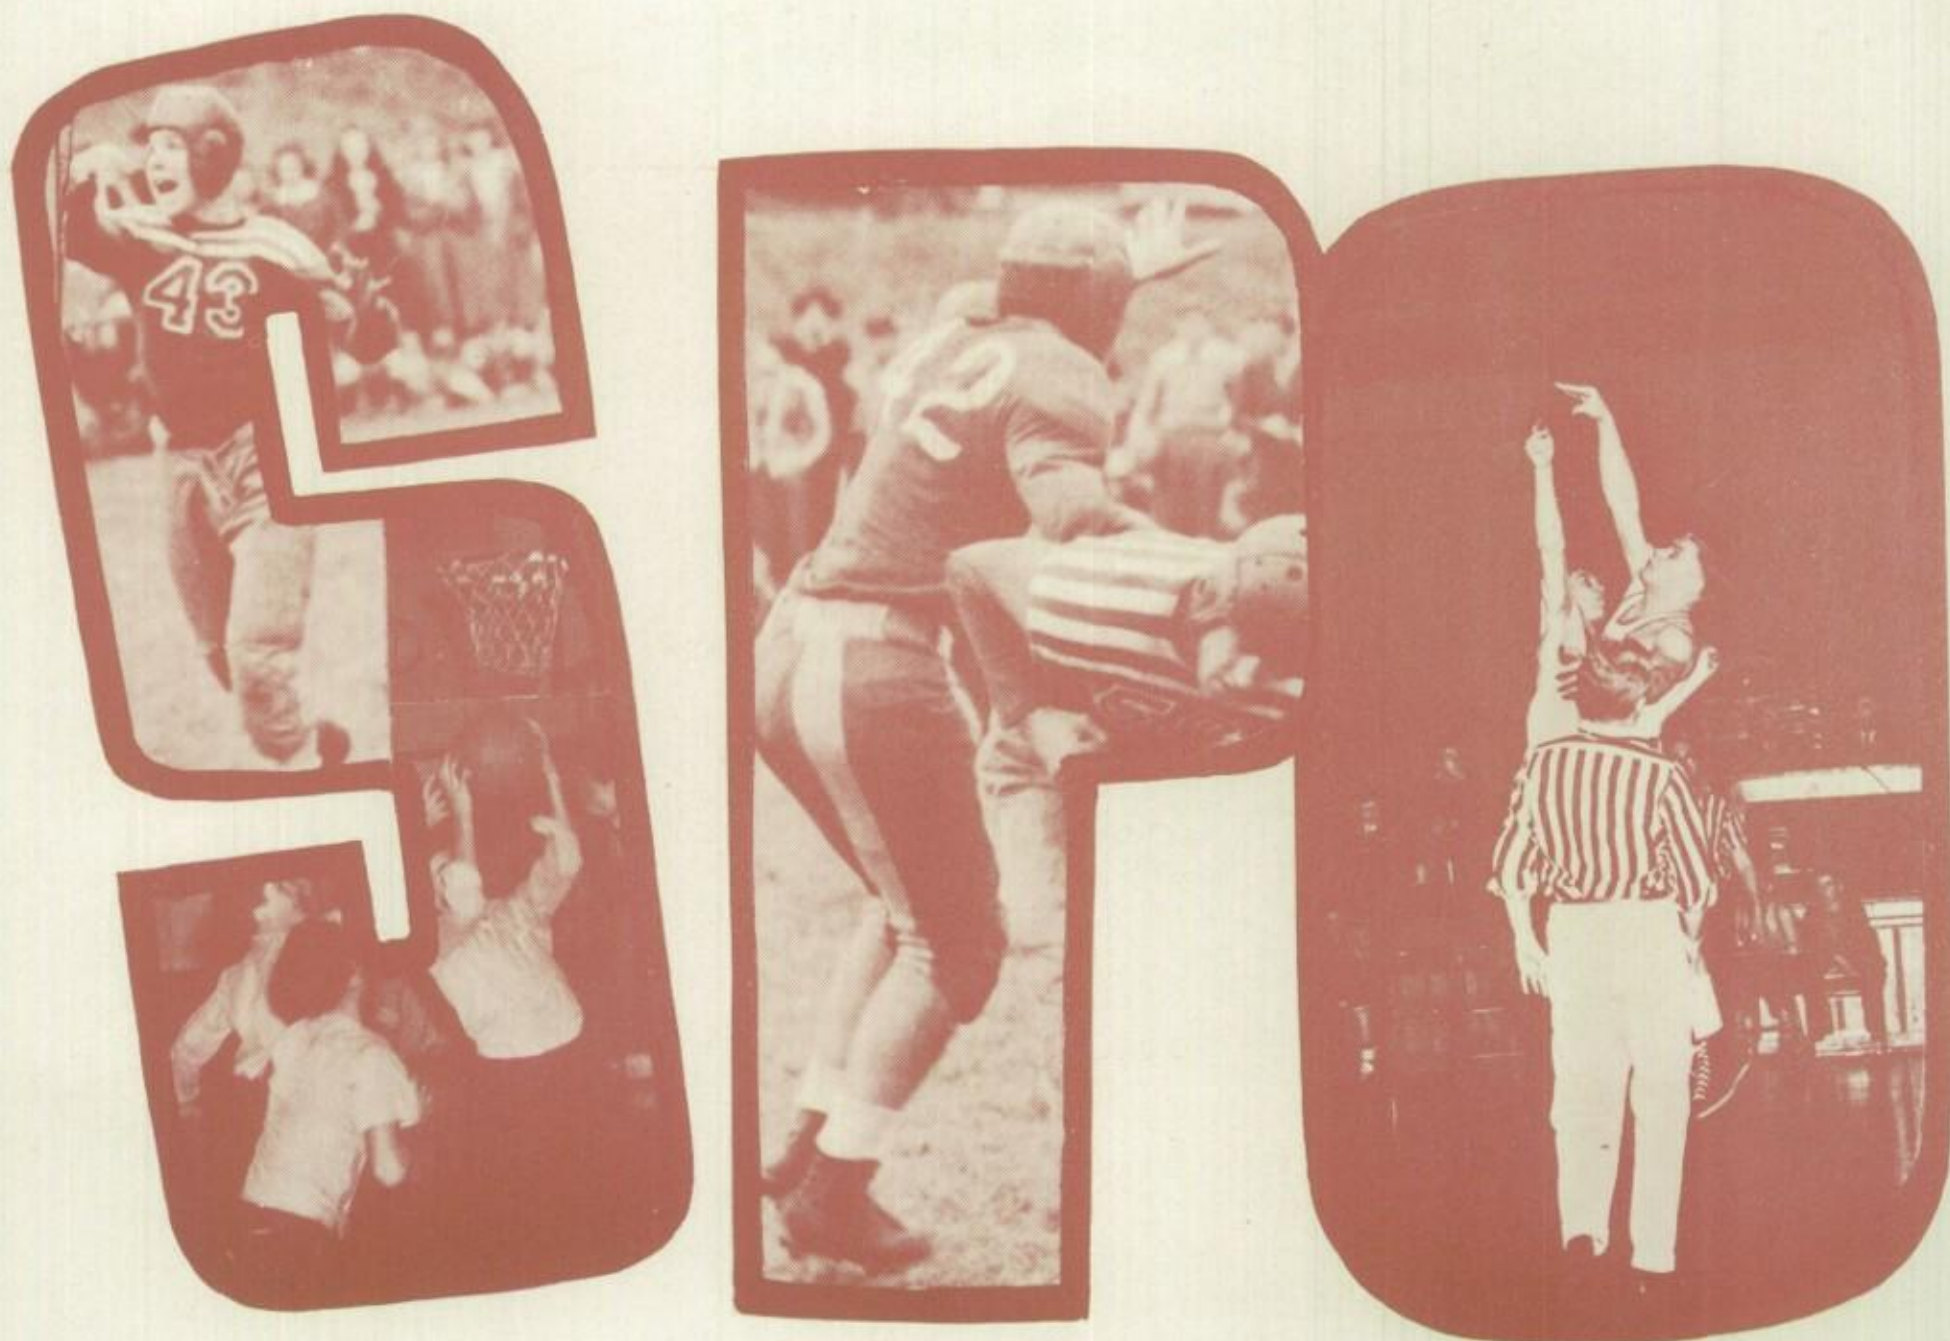

The orchestra too has had a varied program. Throughout the year members of this organization have played for school assemblies and other programs throughout the township. Their director is Mr. Heist.

VARSITY BASKETBALL

The varsity squad this year demonstrated that a fighting team handicapped by height can win games. This scrappy group of boys massed 800 points against 625 for their opponents. By their consistent scoring they were able to gain the highest offensive record in the Stark County League. These boys played hard for the love of the game. Win or lose, their spirits remained undaunted.
